

Temple Beth Tikvah Preschool Families,

I am enthusiastic and thrilled to be the Director of Temple Beth Tikvah Preschool. There is a history of excellent directors that have each left a lasting imprint on the children and families that have attended TBT Preschool. I strive to continue the traditions and commitment to excellent education in the coming years.

I wanted to tell you a little about myself in hopes of making the decision to entrust your child to us bit easier. I have been in education professionally since 2000, when I began teaching Kindergarten. During the 15 years I was in a classroom I have taught children in Preschool 3-year-old programs through second grade. I have a Master's degree in Education; I hold two state certifications (grades K-6 and Nursery-3 special education).

I have been doing consulting work with several licensed learning centers since 2013. During my time as a consultant I attended many professional conferences including a leadership conference and training with Disney leaders. I am excited to share my experiences with the TBT Preschool community.

I believe that a great parent relationship is necessary for maximum school success. A key to that relationship is communication. If at any time you have questions or concerns please stop in and see me, send an e-mail (nsdirector@tbtshoreline.org), or give me a call.

Thank you in advance for your cooperation and support. Parent support of our school sends a positive message to your child regarding education, and is essential to the continued success of our school. I look forward to working with all of our TBT Preschool families.

Jen Casillo
